

## FROM THE LIBRARY

Beginning Monday, December 7, the Library will once again offer **almost free return of materials**. For each overdue material, we will delete the fine if a non-perishable item is donated. Cash donations will be accepted and will be forwarded to the Ministerial Alliance for assistance to Valley Center residents. We will extend the offer until December 23. If there are existing fines on an account, those fines must still be paid. We will not negotiate existing fines. As explained in last week's article, we are now requiring that any fines over \$1.00 be paid before any materials can be checked out - including the Internet. If materials are returned in damaged condition, the replacement charges must be paid as well before materials can be checked out.

There will be a Teen Christmas Party on Friday, December 18 for teens in sixth grade and above. We will provide pizza for the kids so we must have RSVP's by Wednesday, December 16 to plan adequately. Kids should wear holiday attire if possible. We'll have plenty of Christmas games and activities for the evening. Since we're serving pizza, the party will be from 6:30 to 9:30. Call the library if you have questions – 755-7350 or email to: [janicesharp@yahoo.com](mailto:janicesharp@yahoo.com).
