

FROM THE LIBRARY

Your attendance for the summer reading programs has been great! This past week, we've had over 1,100 patrons in the library. We're glad so many have been coming to enjoy our performers.

On Wednesday, June 24, our performers will be Laughing Matters, who perform comedy, juggling and mime. Even though they were not here last year, we've had them numerous times in the past.

Just a reminder -- we will have a pet parade on July 1. Please bring dogs or cats only -- one animal per child -- each animal must be on a leash or in a cage. If your animal tends to be aggressive, please do not bring the animal for the parade. If your animal is large, an adult should accompany the child to handle the animal. All activities for July 1 will be held outside. We will judge the animals in several categories for prizes. There will be no crafts inside and kids are encouraged to choose another day to select books since we cannot allow the animals in the building.

We continue to need oatmeal/peanut containers and empty drink bottles for crafts. Please bring the clean/dry containers to the library. We appreciate the donations that we have received. Your support is wonderful.
