

FROM THE LIBRARY

WOW! The Summer Reading Program has been completed! We completed the year with about the same number of returned reading logs as last year. The list will be in next week's article. Our surprise came last week when Brent Dellinger was ill the morning of his scheduled shows. We re-scheduled for this week – at the same times as the party when we hand out prizes. So we had songs and games last week along with our crafts. This week, we had our performer and handed out prize bags. This shows the need for us all to be flexible!

We've also completed our guessing games for the summer. We had a jar of Runts for kids 14 and under to guess number of contents. For the adults, we had a jar of M & M's mixed with peanut and regular for their guessing. The winners received a new supply of what had been in each jar. Winners will be listed in next week's article since this is written prior to our announcements.

For all of you library supporters, the Library Board will be making a presentation to the City Council at their meeting Tuesday, Aug. 4, 7 PM, dealing with future plans for the library – location & needed steps for a new facility. The Council would like to have specific items addressed for what is needed in a new community facility not just that we need space. Call or email the Library if you have questions (755-7350 or janicesharp@yahoo.com).
