

FROM THE LIBRARY

Do you like to read about upcoming books? **Bookpage** is a publication that presents information about forthcoming books for all levels of reading – children to adult. The subscription to **Bookpage** has been donated for the year and we receive 50 each month. Please pick up a copy the next time you're in the library. Better still, pick up copies of both January and February issues.

Many of you are working on preparation of your taxes for 2009. The Library has forms for the Federal returns. If the forms are not available, we'll be happy to download copies as you need for ten cents per page. The State of Kansas has not provided paper copies of tax forms this year. In an effort for the State to save money, they eliminated the paper copies for public distribution. The library staff can download copies as you need for ten cents each page or, if you have a computer, you can download your own copies from www.ksrevenue.org.

Have you considered a gift for your reader for Valentine's Day? We have handmade beaded bookmarks made by a staff member along with heart-shaped dishes to make a perfect gift. The total proceeds go to our Building Fund. The bookmarks are \$7 each or \$10 for the bookmark and a dish. Come by soon to choose your favorite.

Our next teen event will be a Valentine's Party on Friday, February 5, from 7 PM to 9:30 PM. There will be plenty of snacks, games and activities to keep the kids involved. This event is for kids 6th grade and up. Call the library if you have questions.
