

FROM THE LIBRARY

Even though we haven't seen the sunshine lately, patrons are beginning to read again. We've had slightly more than 2,000 patrons in the library since Jan. 1. What a difference the sun makes! We all feel more like being more active even when it's cold.

We're in the midst of planning our 2010 Summer Reading Program – Make a Splash – Read. We would like for you to start saving cereal boxes for us to use in a craft. If you'd like, you can open the ends so the boxes will lay flat to make storage easier. We will eventually need one per child – approximately 300 boxes.

Don't forget the Valentine's Day Teen Party this Friday, February 5 from 7:00 PM to 9:30 PM for kids in sixth grade and above. We'll have plenty of activities and snacks for the kids. We will NOT be providing pizza for this party.

Do you need a gift for a special Valentine? Don't forget about our beaded bookmarks for sale at \$7 each. They are a fundraiser for our new building with the total sale going into our building fund. The bookmarks are made and donated by one of our staff members.
