

## FROM THE LIBRARY

Everyone around Valley Center has enjoyed the columns of Les Anderson in the Ark Valley News for years. Many of you also know that Les has put many of his columns into a book. Les brought copies of the book into the Library on Saturday so we can start selling the book (\$15.95 each). We've scheduled a book signing from 10 AM to noon on Saturday, May 15, at the Library. Come by, purchase a copy of the book, then have Les sign your copy while you reminisce. Les has graciously designated that profit from this book will benefit the Library.

We now have tickets for the upcoming roast for Granny Meg. The roast will be on Friday, June 18, in the Wesley Celebration Center at First United Methodist Church. This should be a fun evening listening to stories of Meg and her years of story time at the Library as well as other "secrets" about her. We're planning to display pictures and other items from her story time years. Tickets are \$95 each in honor of Meg's 95<sup>th</sup> birthday which we'll celebrate that evening with a meal and birthday cake. The funds raised will benefit the Friends of the Valley Center Library for a new facility. From the cost of each ticket, \$85 will be tax-deductible.

Please continue to save cereal boxes and bottle caps for us to use during crafts for our Summer Reading Program – Make a Splash – Read. We're trying to get our details completed soon for great programs during each Wednesday in June and July. Registration forms will be available by May 10.
